

To whom it may concern,

*Madant are always looking for new and interesting ways to engage a conference audience, and Peter Feeney slam dunked our recent audience with his over the top parody of American Self Help Experts – Mr Beau Tyler. He had the audience, confused at first, then they got it, then they started pi##ing themselves, and the rest was just gravy! Great work Peter, we look forward to crossing paths with Mr Tyler in the future.*
